The Puget Sound Water Quality Action Team is an equal opportunity employer.

If you have special accommodation needs, or need this document in an alternative format, please contact the Action Team's ADA representative at (360) 407-7300. The Action Team's TDD number is 1 (800) 833-6388.

ACKNOWLEDGMENTS

This report is the product of the Puget Sound Ambient Monitoring Program (PSAMP) and the Puget Sound Water Quality Action Team. It was compiled by Pete Dowty but represents the efforts of many people both within PSAMP and others involved in related research activities in the Puget Sound Basin that contributed material, comments and advice. Their contributions are gratefully acknowledged.
